

EVENT VENDOR RECYCLING GUIDE

ATTENTION SIOUX FALLS EVENT VENDOR: RECYCLES!

In accordance with City ordinance 57.050, recyclable materials must be excluded from the Sioux Falls Regional Sanitary Landfill. Below are examples of recyclable materials typically generated by vendors at events. Sioux Falls is committed to minimizing the amount of waste going to our landfill. We ask you to support our efforts to have an environmentally conscious event. Please see below for a list of recyclable and non-recyclable materials.

TIPS FOR RECYCLING

- Train your workers on how to recycle at this facility.
- Make this flyer visible for all workers in the work area.
- Provide a site map and mark the location of recycling dumpsters. (Public bins should not be used for vendor waste.)
- Place "This Event Recycles" signs provided by the event coordinator near your vendor location.
- Donate leftovers to local organizations.
