

Sioux Falls Fire Rescue - Fire Protection Division

Annual License Fee Schedule

Authority: Ordinance 23 - Section 23-27

Effective Date: June 1, 2007

The following licenses as defined by the fire code shall be issued by the fire department. An annual inspection is included in the license fee. If the actual time for a fire department inspection exceeds the cost covered by the fee, the fee will be increased to cover the additional time at a rate of \$35.00 per hour.
