If you make a mistake, give the ballot back and get a new one.</p> </div> <p>The Sioux Falls City Council is considering the construction of a multi-purpose events center (the "Project") in the City of Sioux Falls. If the proposition is approved by the majority of those voting, further action will be required by the City Council to issue sales tax revenue bonds to finance the Project. No general obligation bonds will be issued.</p> <p>There will be no new taxes, no increase in property taxes, and no increase in sales tax rates authorized by the current City Council to pay for the Project.</p> <p>The question submitted to the legal voters of the City of Sioux Falls, South Dakota, is as follows:</p> <hr/> <p align="center">PROPOSITION TO BUILD AN EVENTS CENTER</p> <hr/> <p>Whether the City of Sioux Falls should build a multipurpose Events Center and associated site improvements (the "Project") at a Project cost not to exceed one-hundred-fifteen million dollars (\$115,000,000.00).</p> <p>City Attorney's Explanation</p> <p>This election will advise the City Council as to whether the public supports proceeding with the Project. The City Council has selected the Sioux Falls Convention Center site as the site to build the Project. The Council has also adopted a resolution stating that it will not proceed with the Project if the proposal is not approved by a majority of those voting in this election.</p> <p>The amount proposed to be spent refers to the cost of designing, constructing, equipping, and furnishing a multipurpose Events Center and associated site improvements (including architectural and engineering fees and expenses). Interest and other financing costs are additional costs that will be</p>	<p>incurred and are not included in the Project cost of designing, constructing, equipping, and furnishing a multi-purpose Events Center and associated site improvements. Debt service reserves and other reserves are also not included in the Project costs. Project costs also do not include additional capital improvements that may be incurred in future years.</p> <p>In order to construct the Project, further action will be required by the City Council to allow the City to issue revenue bonds to be repaid from and secured solely by revenues from the existing second penny sales tax to finance all or a portion of the costs of the Project.</p> <p>A vote "Yes" is for constructing the Project.</p> <p>A vote "No" is against constructing the Project.</p> <p>SHALL THE PROPOSITION TO CONSTRUCT AN EVENTS CENTER BE APPROVED?</p> <p><input type="radio"/> YES</p> <p><input type="radio"/> NO</p>
