

## **Application for Police Explorers Post 504**

Applications will be accepted throughout the year. Since there are usually more applicants than we have openings or budget for, candidates will be interviewed to determine eligibility. Because previous explorers have set a precedent for excellence, and because of whom we represent, we are meticulous during the interview and selection process.

New recruits can plan to spend two nights a month for five months learning the procedures and policies that guide our post. This training time culminates with an exam to determine what information the new explorer has retained. While this can be a challenging time, the reward is well worth the effort.

Please fill out the attached application and return to the following address. You will be notified after that regarding an interview date and time.

**Police Explorers  
Community Services Division  
320 West Fourth Street  
Sioux Falls, SD 57104-2435**

**This program is open to young men and women between the ages of 14 and 20 years of age.** Because it is sanctioned through the Boy Scout Council, the maximum age to apply is 20 years old. When an explorer turns 21, he or she is retired out of the program.

Sgt. David Osterquist  
Explorer Post 504
