RFP 15-0184 Uniform Logo Wear and Screen-Printed Clothing

1. Is the preproposal meeting scheduled for November 4, 2015 at 10 a.m. mandatory?

The meeting is not mandatory and non-attendance does not prohibit a vendor from responding to the bid.

2. Do you have a total annual purchase estimate for the city apparel?

The estimated spend for this contract is approximately \$40,000.00

3. Can a vendor bid on just the embroidery and not on the screen-printed items?

A bid supplying only part of the items will be considered incomplete and not reviewed by the RFP committee.
