Addendum No. 1

Bid Request No. 16-0080

Please make the following change:

Section 2.8 Price and Business Relationship Proposal

Include a separate line price in the pricing proposal for mobilization and use of equipment during the trial or demo period. The City may enter into a separate agreement with the selected offeror for the trial period only. It would be the City's understanding that some of the expenses incurred during the trial period would lessen the overall bid price upon successful completion and selection of the offeror's AMI System.

Addendum must be acknowledged by all bidders regardless of which proposal(s), if applicable, are being bid on.
