

QUESTIONS

FOR THE REQUEST FOR PROPOSALS FOR THE CITY OF SIOUX FALLS 69TH STREET AND WESTERN AVENUE AREA IMPROVEMENTS DESIGN

RFP date posted: February 1, 2016

Expiration date: February 24, 2016

Deadline for Questions 2:00 CT, February 19, 2016

Date updated: **February 10, 2016**

1. The RFP website listed the expiration date incorrectly as 3/24/16. It has been changed to 2/24/16 same as stated in the Request for Proposal document.
2. The consultants are reminded if there are questions to please submit them in writing to Shannon Ausen.
3. Please verify the scope for the sanitary sewer utility.
 - a. The scope for the sanitary sewer is simply manhole adjustments. There is not a 36 inch pipe under Western Avenue. There is an 8 inch line on Western Avenue south of 69th Street and an 8 inch line under 69th Street to the east ¼ mile.
