

Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

This document represents the 2022 Annual Action Plan as part of the Five-Year Consolidated Plan for the City of Sioux Falls. It covers program years 2020 through 2024.

The Consolidated Plan is a five-year strategic plan required by the U. S. Department of Housing and Urban Development (HUD) for the Community Development Block Grant (CDBG) program and Home Investment Partnership (HOME) program and the proposed use of funds provided by those grant programs. The plan facilitates the City's coordinated effort to review and create strategies to develop affordable housing and support services needs within the community.

The City of Sioux Falls receives approximately \$1,038,000 in CDBG dollars and \$508,000 in HOME each year directly from HUD.

The purpose of the Consolidated Plan is:

- To identify a city's, county's or state's housing and community development needs, priorities, goals and strategies; and
- To develop a strategic plan to stipulate how funds will be allocated to housing and community development activities during the five-year planning period.

The Consolidated Plan is a specific course of action. It builds on local assets and coordinates a response to the needs of the community. It integrates economic, physical, environmental, community and human development in a comprehensive and coordinated fashion so that families and communities can work together and thrive. A Consolidated Plan also sets forth program goals, specific objectives, annual goals, and benchmarks for measuring progress.

Individual Annual Action Plans will explain how the City intends to use of its CDBG and HOME allocations in each year of the five-year period, and how the funded programs, projects and activities will address the priorities identified in the Consolidated Plan.

It is important to note that the City's Housing Division utilizes City of Sioux Falls general funds to supplements its federal resources to carry out its mission. The 2022 general fund allocation for the Housing Division will be \$1,685,000.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

The five-year priorities developed as a result of the Five-year Consolidated Planning process include:

1. Affordable housing—providing financial support to developments and activities that help the city’s lowest income residents obtain stable, affordable housing. This may include homeless facilities/public facilities.
2. Accessible housing—connecting people with resources to sustain housing
3. Neighborhood revitalization—reconstructing or rehabilitating vacant and dilapidated single-family homes in core areas of the city
4. Increase self-sufficiency—providing support to organizations that assist low income and special needs households with economic growth
5. Fair housing education and outreach—funding activities and programs that raise awareness and knowledge of fair housing rights
6. Accessibility modifications—providing support to help elderly and disabled households with mobility impairments make modifications to their housing

It is important to note that stakeholders who work closely with special needs populations also identified affordable and accessible public transit as a top need. Because CDBG and HOME dollars have limited ability to address transportation challenges, transportation improvements are recognized as a top need yet are not identified as a funding priority.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

The City of Sioux Falls has worked diligently in an attempt to address needs of the low-income members of the community with funding available through the federal government (CDBG and HOME) and the City of Sioux Falls (General Funds). Past efforts have included the broader, more loosely defined “community development” needs. It is anticipated that in the next five years, we will focus a vast

majority of the available resources strictly on affordable housing, but without neglecting other pressing community development needs.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

The Plan included both stakeholder consultation and resident engagement. During the spring of 2021, a survey of housing and community development organizations, public service agencies, economic development organizations, and housing advocacy groups was conducted. 53 stakeholders responded to the survey.

The Annual Action Plan is designed to be a collaborative process whereby a community establishes a unified vision for community development actions. It offers local jurisdictions the opportunity to shape the various housing and community development strategies. The plan is developed with input from numerous housing and service providers, a list of which is appended to this plan.

The community was notified on the needs assessment hearings as follows:

- Emails or letters were sent to 66 organizations represent local housing and service providers on April 9, 2021.
- A Public Notice was published in the Sioux Falls Argus Leader on April 9, 2021.
- A notice was posted at the City's website, www.siouxfalls.org on April 9, 2021.

These mailings and notices invited the agencies and the public to two public hearings for a discussion and assessment of community needs. These two hearings were held at the Downtown Library, 200 N. Dakota Ave. on May 5, 2021, at 3:30 p.m. and 5:30 p.m. It was advertised that special accommodations for hearing impaired would be made available upon request prior to the meeting. The meetings allowed groups and individuals the opportunity to identify community housing and non-housing needs. The Housing Division obtained the views of citizens, public agencies, and other interested parties for the development of the City's priorities for the 2022 Annual Action Plan. A total of 11 individuals representing different agencies attended these two meetings.

Interviews and input were also solicited and received from numerous community and government organizations, interested individuals, and civic leaders.

The City has adopted and follows a citizen participation plan that encourages all citizens to participate in the consolidated planning process. Accommodations are made for non-English speaking persons and persons with mobility, visual, or hearing impairments. A public notice was published in the Sioux Falls

Argus Leader on #####, 2021, advising the public that the draft 2021 Annual Action Plan was completed and available for review at the following locations. A public notice was also published at <https://siouxfalls.org/planning-dev/planning/affordable-housing>.

- Planning and Development Services, Housing Division, City Center, 231 North Dakota Avenue
- Main Library, 200 North Dakota Avenue
- Caille Branch Library, 4100 Carnegie Circle
- Oak View Branch Library, 3700 East 3rd Street
- Prairie West Library, 7630 West 26th Street
- Ronning Branch Library, 3100 East 49th Street

The public was invited to submit written comments on the plans. The 30-day comment period ended November #, 2021. Housing Division staff held a public hearing at its City Center office on November ##, 2021, to receive and discuss written comments. No comments were received.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

Based on our needs assessment survey, general affordability of homes and lack of supply continue to be a problem. Housing for homeless and homeownership opportunities greatest unmet needs.

6. Summary of comments or views not accepted and the reasons for not accepting them

There were no comments that were not accepted.

7. Summary

The concept of “home” has a special meaning for all of our residents. Safe, quality, affordable housing that is accessible to all residents is the foundation of our growing community, impacting everything from public safety and health, workforce, economic development, transportation and overall quality of life. It is a core tenet of the Mayor’s administration because it is unrealistic to make a safe, vibrant, and engaged community without accessible housing.

The Administration has elevated the City’s focus on the need for a comprehensive housing plan for Sioux Falls. One in which we leverage our limited municipal and federal funds to increase the number of clean, safe and affordable homes accessible to all residents throughout our community.

We drove this focus forward by holding public hearings to bring together stakeholders from across the housing industry to connect, explore efficiencies and form partnerships.

Our team developed and refined our plan to address the needs, priorities, and used the valuable insights gained at the public hearings and goals identified in this plan. Realizing our goals will rely on an emphasis in leveraging both our existing partners along with forming new partners with proven capabilities in the housing industry.

The City of Sioux Falls looks forward to what can be achieved in the next year. We will strive to address the priorities and goals identified in this plan with the resources made available to us.

PR-05 Lead & Responsible Agencies – 91.200(b)

1. Agency/entity responsible for preparing/administering the Consolidated Plan

Describe the agency/entity responsible for preparing the Consolidated Plan and those responsible for administration of each grant program and funding source.

Agency Role	Name	Department/Agency
CDBG Administrator	SIOUX FALLS	City of Sioux Falls Housing Division
HOME Administrator	SIOUX FALLS	City of Sioux Falls Housing Division

Table 1 – Responsible Agencies

Narrative (optional)

The City of Sioux Falls receives Community Development Block Grant (CDBG) funds and Home Investment Partnerships Program (HOME) funds from the U. S. Department of Housing and Urban Development (HUD). The CDBG and HOME funds are administered by the City under Housing Division of the Planning and Development Services Department.

The City is not a recipient of Emergency Solutions Grant (ESG), or Homeless People with AIDS (HOPWA) grant funds. However, the State of South Dakota is a recipient of ESG and HOPWA, and developers, non-profits and faith-based organizations in Sioux Falls may apply for Homeless Prevention and Rapid Rehousing Program (HPRP), ESG and HOPWA funds through the State program offerings.

Sioux Falls Housing and Redevelopment Commission receives HOPWA funds through a partnership with the States of Montana, North Dakota and South Dakota. This program is tenant-based and is for persons or families with HIV/AIDS diagnosis. It allows qualified individuals/families under 80 percent of the area median income to receive rental assistance in the unit of their choice. Preference is given to those with HIV/AIDS diagnosis who are homeless and whose income is under 50 percent of the median income guidelines.

Consolidated Plan Public Contact Information

Al Roettger, Housing Compliance Supervisor, City of Sioux Falls, manages the CDBG and HOME programs, and administered the Consolidated Plan process. His contact information is (605) 367-8174, aroettger@siouxfalls.org, PO Box 7402, 231 North Dakota Avenue, Sioux Falls, 57117-7402.

AP-10 Consultation – 91.100, 91.200(b), 91.215(I)

1. Introduction

The 2022 Annual Action Plan was developed by the City of Sioux Falls with consultation of various organizations, stakeholders, housing and service providers, and interested members of the community. An online survey publicly available April 9 to May 21, 2021 was instrumental in obtaining opinions from the community on housing and community development needs in Sioux Falls.

Provide a concise summary of the jurisdiction’s activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))

The Annual Action Plan is designed to be a collaborative process whereby a community establishes a unified vision for community development actions. It offers local jurisdictions the opportunity to shape the various housing and community development strategies.

The plan is developed with the cooperation and input from numerous for profit and nonprofit housing and service providers in the community.

The City sought input from many community housing and services providers in this consolidated planning process. A summary of those efforts is included in the Executive Summary of this Annual Action Plan.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The South Dakota Housing for the Homeless Consortium is the statewide Continuum of Care (CoC) for South Dakota. The South Dakota Housing Development Authority is the lead agency for the CoC.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The South Dakota Housing Development Authority (SDHDA) as the lead agency for the CoC also administers the ESG Program and is the administrator of the HMIS system. Many of the ESG recipients are domestic violence shelters.

The Policy Advisory Council (PAC) is the governing board for the South Dakota Housing for the Homeless Coalition. Several PAC members participate in the ESG selection committee to determine funding awards.

The State's Coordinated Entry System (CES) provides additional information for consideration when developing funding policies and procedures and evaluating outcomes of current services.

2. Describe Agencies, groups, organizations and others who participated in the process and describe the jurisdiction's consultations with housing, social service agencies and other entities

Table 2 – Agencies, groups, organizations who participated

1	Agency/Group/Organization	Sioux Falls Housing & Redevelopment Commission
	Agency/Group/Organization Type	Housing PHA Services - Housing Services-homeless
	What section of the Plan was addressed by Consultation?	Housing Need Assessment Public Housing Needs Homeless Needs - Chronically homeless Homeless Needs - Families with children Homelessness Needs - Veterans Homelessness Needs - Unaccompanied youth Homelessness Strategy
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Sioux Falls Housing and Redevelopment Commission was consulted for information on housing and homelessness. SFHRC is expected to help carry out some of the housing aspects of this plan.
2	Agency/Group/Organization	Inter-Lakes Community Action Partnership
	Agency/Group/Organization Type	Housing Services - Housing Services-homeless Services-Education Regional organization

	What section of the Plan was addressed by Consultation?	Housing Need Assessment Homeless Needs - Chronically homeless Homeless Needs - Families with children Homelessness Needs - Veterans Homelessness Strategy
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Inter-Lakes Community Action Partnership was consulted for information on housing and homelessness. ICAP is expected to help carry out some of the housing aspects of this plan.
3	Agency/Group/Organization	Independent Living Choices
	Agency/Group/Organization Type	Services-Persons with Disabilities
	What section of the Plan was addressed by Consultation?	Non-Homeless Special Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Independent Living Choices was consulted for information on persons with disabilities and non-homeless special needs. ILC is expected to help carry out some of the housing accessibility aspects of this plan.
4	Agency/Group/Organization	Minnehaha County Department of Human Services
	Agency/Group/Organization Type	Housing Services-homeless Other government - County
	What section of the Plan was addressed by Consultation?	Homeless Needs - Chronically homeless Homeless Needs - Families with children Homelessness Needs - Veterans Homelessness Needs - Unaccompanied youth Homelessness Strategy

	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	The County was consulted for information relating to homelessness.
5	Agency/Group/Organization	CHILDREN'S INN
	Agency/Group/Organization Type	Services-Children Services-Victims of Domestic Violence
	What section of the Plan was addressed by Consultation?	Domestic Violence
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Children's Inn was consulted for information relating to domestic violence.
6	Agency/Group/Organization	City of Sioux Falls
	Agency/Group/Organization Type	Other government - Local
	What section of the Plan was addressed by Consultation?	Broadband and Hazard Mitigation

<p>Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?</p>	<p>Hazard Mitigation - The City's Housing Division is currently working closely with the City's Emergency Manager in the management of one flood prone area. The City is utilizing funds from the Federal Emergency Management Agency to respond to flooding effects in an area which has flooded more frequently in the last 10-15 years. Purchase offers are being made to home owners so that they may move from the affected area. However some of these households have been hesitate to sell because of the increased value of other real estate in Sioux Falls and the challenges with finding appropriate replacement housing. Broadband - The City of Sioux Falls is asking the community to participate in a survey on digital equity https://siouxfalls.org/digitalequity to gather data and then formulate a plan.</p>
---	---

Identify any Agency Types not consulted and provide rationale for not consulting

The city advertised the opportunities to participate in the 2022 Annual Action Plan to its wide network of nonprofit, private sector and government partners.

Other local/regional/state/federal planning efforts considered when preparing the Plan

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
Continuum of Care	South Dakota Housing Development Authority	Point-in-time count informed homeless data in Annual Action Plan and Consolidated Plan
Shape Sioux Falls 2040 Comprehensive Plan	City of Sioux Falls, Planning & Development Services	The Land Use Plan describes growth areas and projected uses for housing, types of housing, commercial and retail space.

Narrative (optional)

Please see above.

AP-12 Participation – 91.105, 91.200(c)

1. Summary of citizen participation process/Efforts made to broaden citizen participation Summarize citizen participation process and how it impacted goal-setting

Two public hearings were held at the Downtown Library on May 5, 2021 to solicit public input for the 2022 Annual Action Plan. Comments were summarized below and in survey form in the attached unique grant appendices.

66 local housing and service providers were contacted, soliciting their input, suggestions, priorities, goals and objectives for the 2022 Annual Action Plan, as well as notifying them that applications for funding were being accepted for the 2022 program year. A Public Notice was published in the Sioux Falls Argus Leader on April 9, 2021 advising the same. A notice was also posted at the City's website, www.siouxfalls.org. These mailings and notices also included invitations to two public hearings on an assessment of needs the community.

A public notice was published in the Sioux Falls Argus Leader on November #, 2021, advising the public that the draft 2022 Annual Action Plan was completed and available for review at the following locations. A public notice was also published at www.siouxfalls.org.

- City of Sioux Falls Housing Division, City Center, 231 North Dakota Avenue
- Downtown Library, 200 North Dakota Avenue
- Caille Branch Library, 4100 South Carnegie Circle
- Oak View Branch Library, 3700 East 3rd Street
- Prairie West Branch Library, 7630 West 26th Street
- Ronning Branch Library, 3100 East 49th Street

The public was invited to submit written comments on the plan. The 30-day comment period ended on November ##, 2021. The Housing Division held a public hearing at the City of Sioux Falls, City Center, at 12:00 p.m. November ##, 2021, to receive and discuss written comments. No comments were submitted.

The City invited and attempted to consult with as many diverse groups as possible during the preparation of this Annual Action Plan. While we believe consultation was attempted with as many diverse groups or different needs as we can think of, we will always strive to add to the list of groups consulted so that we are inclusive as possible.

The Citizen Participation Plan sets forth the policies and procedures to be used to solicit and encourage the citizens of Sioux Falls to participate in the development and implementation of programs utilizing grant funds from the CDBG and HOME programs. Participation by low income persons is particularly important to the planning process and the expenditure of these federal funds. Anyone requiring assistance in reading or understanding this document or any referenced document due to a disability or difficulty with the language utilized in the plan should contact the Housing Division and sufficient assistance to enable them to understand this document will be provided.

For details on efforts made to broaden citizen participation, the citizen participation process and how it impacted our goal setting, please reference the full citizen participation plan on our website <https://siouxfalls.org/planning-dev/planning/affordable-housing/citizen-participation>.

Expected Resources

AP-15 Expected Resources – 91.220(c)(1,2)

Introduction

The City’s Housing Division utilizes non-federal funds (City general funds and local revolving fund) to supplement its federal resources to carry out its mission. In 2022, the Housing Division will utilize \$1,685,000 of local, non-federal dollars. \$241,573 of those dollars will be used to supplement 2022 Action plan projects

Anticipated Resources

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 1				Expected Amount Available Remainder of ConPlan \$	Narrative Description
			Annual Allocation: \$	Program Income: \$	Prior Year Resources: \$	Total: \$

Amount available for Remainder of ConPlan estimate is based on the remaining amount available in 2021 Action Plan minus 2022 expected amount available.

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

Local, non-federal support for the Housing Division’s programs by the City of Sioux Falls has grown to \$1,685,000 approved for 2022.

Leveraging of private and nonfederal resources by the use of federal funds will be attempted and encouraged whenever possible. Leveraging of private and non-federal resources in conjunction with the use of federal CDBG and HOME funds will continue to be a priority to maximize accomplishments of both programs.

HOME Program regulations require a local match or contribution of nonfederal funds to be permanently committed to the program. The City is currently using previously received loan revenue from HUD's closed-out programs (Urban Development Action Grant and Rental Rehabilitation Program); the value of materials, labor, and properties donated to various affordable housing projects; and City General Fund dollars budgeted for the Neighborhood Revitalization Program to meet its local match obligation.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

At this time, there are no plans to use publicly owned land or property to address the needs identified in the plan. However, if such an opportunity were available to the City, it would be considered.

Discussion

The required 2022 CHDO set aside is to Affordable Housing Solutions and its Neighborhood Revitalization Program. All HOME funds made available for that project are CHDO funds.

Annual Goals and Objectives

Projects

AP-35 Projects – 91.220(d)

Introduction

The following programs, projects and activities will be undertaken in 2022 in whole or in part with the use of federal CDBG and/or HOME funds. Programs, projects and activities funded entirely with City of Sioux Falls General Funds are not included here.

Projects

#	Project Name
1	Single Family Rehabilitation Loan Program
2	Emergency Mobile Home Repair Program
3	CHDO PROJECT -- Affordable Housing Solutions: Neighborhood Revitalization
4	Habitat for Humanity: Land Acquisition
5	Inter-Lakes Community Action Partnership (ICAP): Bright Futures

Table 7 - Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

Allocations were made based on existing priorities and needs.

No obstacles were identified in meeting underserved needs; therefore, no specific actions will be taken. The City of Sioux Falls Housing Division is committed to soliciting greater involvement from traditionally underserved populations. This is done through notification of social service providers about the needs assessment hearings at the start of the planning process.

AP-38 Project Summary
Project Summary Information

1	Project Name	Single Family Rehabilitation Loan Program
	Target Area	
	Goals Supported	Expand and Maintain Affordable Housing
	Needs Addressed	Affordable Housing
	Funding	CDBG: \$642,784
	Description	Matrix Code 14A (14H for rehabilitation administration). Funds are provided to low-income owner-occupants to maintain their homes in a decent, safe, and sanitary condition. The maximum household income is 80% AMI. The maximum funding available per project is \$35,000, but could be further limited based on rehabilitation needs, length of ownership, county assessed value, equity, and income. Exceptions to the limit will be considered on a case-by-case basis. The following funding sources are budgeted for 2022: (a) \$500,000 of CDBG funds for project costs, (b) \$142,784 of CDBG funds for rehabilitation administration. Funds would be provided to an eligible homeowner as a no-interest deferred payment.
	Target Date	12/31/2022
	Estimate the number and type of families that will benefit from the proposed activities	35 single-family homes will be rehabilitated.
	Location Description	citywide.
	Planned Activities	Rehabilitation activities undertaken may include repair or replacement of roofing, siding, plumbing, heating, electrical, windows, doors, painting, weatherization, etc. Funding for this project exceeds the actual amount that will be necessary to carry out the activities. There are a few projects on the horizon that are likely to use funds reallocated from this project. The excess funds are only parked here while details for those potential projects are clarified. These excess funds were from 2020 carry over dollars not needed for those 2021 projects and activities.
2	Project Name	Emergency Mobile Home Repair Program
	Target Area	
	Goals Supported	Expand and Maintain Affordable Housing
	Needs Addressed	Affordable Housing
	Funding	CDBG: \$48,283

	Description	Matrix Code 14A (14H for delivery costs). Loans are provided to owner-occupants of mobile homes to repair deficiencies that could be potentially life threatening. Maximum household income is 80% AMI. The program provides up to \$3,000 per unit during the life of the mobile home. Funding is provided as a no-interest deferred loan that is forgiven after one-year of ownership and occupancy following completion of the repair work. Up to \$8,283 of this allocation will be used for rehabilitation administration costs.
	Target Date	12/31/2022
	Estimate the number and type of families that will benefit from the proposed activities	6 mobile home units will be rehabilitated.
	Location Description	citywide.
	Planned Activities	Repairs are limited to those that are emergency in nature which may include the repair or replacement of faulty heating, electrical, or plumbing systems, and repairs to weatherproof the housing unit.
3	Project Name	CHDO PROJECT -- Affordable Housing Solutions: Neighborhood Revitalization
	Target Area	
	Goals Supported	Expand and Maintain Affordable Housing
	Needs Addressed	Affordable Housing
	Funding	CDBG: \$200,000 HOME: \$280,000 City General Funds: \$13,500
	Description	Matrix Code 01 when using CDBG funding. This program will utilize and comply with the CHDO set aside requirements. All HOME funds utilized in this program will be HOME CHDO funds. Properties are acquired for development of affordable housing. Many times, properties with extremely dilapidated structures contributing to neighborhood deterioration are acquired for redevelopment. The existing structures will be (a) demolished with new housing constructed on the site, or (b) rehabilitated into quality affordable housing. Alternatively, properties without existing structures are acquired under favorable circumstances in order to develop new affordable housing. Each new or rehabilitated unit is made available for sale or lease to a household whose income is no greater than 80% of area median income.

	Target Date	12/31/2022
	Estimate the number and type of families that will benefit from the proposed activities	12 housing units will be created for households with incomes no greater than 80% of the area median income.
	Location Description	Could be citywide, but mostly in Neighborhood Conservation Areas/Future Conservation Areas.
	Planned Activities	Existing dilapidated properties, or properties without structures, are acquired and replaced with new or rehabilitated quality affordable housing.
4	Project Name	Habitat for Humanity: Land Acquisition
	Target Area	
	Goals Supported	Expand and Maintain Affordable Housing
	Needs Addressed	Affordable Housing
	Funding	CDBG: \$120,000
	Description	Matrix Code 01. No-interest deferred payment loans provided for acquisition of buildable lots. Houses will be constructed on these lots utilizing volunteer labor, sweat equity, and donated materials and services. Habitat for Humanity builds simple, affordable, decent houses for households with incomes at or below 50% area median income. Funding will purchase three lots.
	Target Date	12/31/2022
	Estimate the number and type of families that will benefit from the proposed activities	3 homes will be built for households with incomes less than 80% AMI.
	Location Description	citywide.
	Planned Activities	Funding will be used to acquire 3 buildable lots and 3 homes will be built for households with incomes less than 80% AMI.
5	Project Name	Inter-Lakes Community Action Partnership (ICAP): Bright Futures
	Target Area	
	Goals Supported	Connect People to Resources to Stabilize Housing
	Needs Addressed	Increase Self-Sufficiency
	Funding	CDBG: \$189,314

Description	Matrix Code 03T for the case management. ICAP will provide families who are homeless or in danger of becoming homeless with intense case management in conjunction with Tenant-Based Rental Assistance (TBRA) and security deposit funds. Each eligible household must have an income no greater than 50% AMI. The long-term goal for the participants is self-sufficiency. TBRA is provided for a period of up to 24 months.
Target Date	12/31/2023
Estimate the number and type of families that will benefit from the proposed activities	60 low-income households will receive case management.
Location Description	citywide
Planned Activities	Rental assistance and case management are provided to low-income households in an effort to move toward self-sufficiency.

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

The City of Sioux Falls assists with projects citywide. Rehabilitation projects are targeted for core neighborhoods within the city.

Geographic Distribution

Target Area	Percentage of Funds
Neighborhood Conservation Areas/Future Conservation Areas	

Table 8 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

Sioux Falls has many core neighborhoods with aging housing stock which need rehabilitation assistance.

Discussion

Please see above.

Affordable Housing

AP-55 Affordable Housing – 91.220(g)

Introduction

The jurisdiction will continue to administer existing housing programs and will continue to work with and support other agencies and entities in producing and preserving affordable housing to the maximum extent possible with funding made available from the CDBG and/or HOME programs and its local dollars. The housing needs determined to be a high priority will be given preference for funding.

The City of Sioux Falls has identified through its consolidated planning process the priority needs listed below:

- Affordable housing
- Increase self-sufficiency
- Accessibility modifications
- Fair housing education and outreach

Half of the priorities identified, including the first three (affordable housing, increase self-sufficiency, and accessible housing) are likely to address housing in the community whether that be by increasing or improving the supply of affordable housing or improving access to decent housing which is affordable.

The table below summarizes the 2022 programs and activities designed to foster and maintain affordable housing in Sioux Falls. The only project that is not addressed below that does not relate specifically to housing is our Fair Housing Outreach.

One Year Goals for the Number of Households to be Supported	
Homeless	60
Non-Homeless	59
Special-Needs	18
Total	137

Table 9 - One Year Goals for Affordable Housing by Support Requirement

One Year Goals for the Number of Households Supported Through	
Rental Assistance	60
The Production of New Units	18
Rehab of Existing Units	59
Acquisition of Existing Units	0
Total	137

Table 10 - One Year Goals for Affordable Housing by Support Type

Discussion

The one year goals listed above are goals for activities that start in 2022. It is understood and acknowledged that these goals will not lead to that number of units being completed in 2022. It is also understood and acknowledged that there will be benefits realized in 2022 that were the result of activities started in 2021 or even years prior to that.

The numbers above are estimated goals for projects that identified in the 2022 plan.

AP-60 Public Housing – 91.220(h)

Introduction

The Sioux Falls Housing Division continues to strengthen the relationship with the Sioux Falls Housing and Redevelopment Commission (SFHRC). The Housing Division is supportive of Sioux Falls Housing and Redevelopment Commission and is willing to partner with them to identify ways to create and maintain affordable housing opportunities in Sioux Falls.

Actions planned during the next year to address the needs to public housing

The City will continue to provide funds to a tenant-based rental assistance program administered by Inter-Lakes Community Action. This program can provide housing assistance to households in need of affordable housing hopefully reducing the demands on the Section 8 voucher program. The Bright Futures case management is a vital component to the TBRA program. Case management is designed to provide education and training to help those households achieve independence and self-sufficiency.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

As mentioned in the Consolidated Plan, Sioux Falls Housing and Redevelopment Commission (SFHRC) has attempted to involve public housing residents in the operation of the Public Housing program by inviting the public housing residents to form a resident council. There have never been more than two residents that have responded to these invitations which is not an adequate representation to form a Resident Council.

SFHRC believes that the lack of interest on the part of the residents stems from the fact that SFHRC's Public Housing units are not located on one or two sites; there are no Public Housing communities or projects in Sioux Falls. SFHRC's Public Housing units are literally scattered all over the city, located in 17 census tracts. The scattered sites have been grouped together for accounting purposes only.

During the process of developing the five-year Agency Plan and each updated Annual Plan, SFHRC has encouraged Public Housing resident participation by inviting them to attend a public hearing specifically for Public Housing residents, and inviting written comments on the proposed Plan. In the past five years that SFHRC has completed these planning processes, only a minimal number of Public Housing families have attended any meetings for Public Housing residents. SFHRC has never received any written comments on the proposed Plan from Public Housing residents.

Going forward, SFHRC will continue its attempts to communicate and foster relationships with the Public Housing residents.

If the PHA is designated as troubled, describe the manner in which financial assistance will be

provided or other assistance

Sioux Falls Housing and Redevelopment Commission (SFHRC) has not been designated by the Public Housing Assessment System as “troubled.”

Discussion

Please see above.

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

The following represents community-wide efforts to address the needs of the homeless population in Sioux Falls.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The South Dakota Housing for the Homeless Consortium will continue to lead statewide efforts to survey and count the homeless population each year, including in Sioux Falls. This HUD-mandated homeless survey and count is conducted in January of each year. The most recent homeless count, completed in January of 2021, tallied 354 homeless individuals in Sioux Falls, an increase from 344 counted in January of 2020.

Addressing the emergency shelter and transitional housing needs of homeless persons

The City is proposing 2022 CDBG and HOME funding for the tenant-based rental assistance program and the Bright Futures program both of which will be administered by Inter-Lakes Community Action Partnership and serve approximately 75 households that are at risk of homelessness or actually homeless.

\$120,000 of City General Funds are budgeted to Bishop Dudley Hospitality House for operating expenses. This emergency shelter provides the following capacity:

- 80 male beds.
- 20 female beds.
- 7 family units.

Better coordination and collaboration among affordable housing stakeholders in Sioux Falls including a collaboration between Minnehaha County and the City of Sioux Falls could help ensure that existing programs and resources reach people who need them. The Housing Division of Sioux Falls and Minnehaha County along with other community partners plan to start a Housing Clinic to create a single entry point connecting families to needed resources.

In partnership with Minnehaha County, the Housing Division of Sioux Falls will work to better coordinate the affordable housing ecosystem. Clients in need of housing support services would be pair with a Housing Navigator that would pre-qualify them for housing partner services and then transfer them to

the program that would best fit their immediate housing needs. The Navigator would follow up to the point to ensure that the client receives the services they need to stabilize their housing.

The Housing Clinic would also work to rehabilitate clients that have developed a negative rental history through an on demand-training module. The Tennant training module would educate tenants on their roles and responsibilities as a tenant, money management and conflict resolution. The goal of the training program is to encourage property owners to rent to tenants they would normally reject because of a negative rental history. The program would demonstrate the tenants' willingness to change previous behavior, by learning new tenant behavior. The training would also be used as a tool to help prevent tenant eviction.

Clients through the Housing Clinic would also have the opportunity to get legal guidance on navigating fair housing. Through education and consultation clients would know their rights and responsibilities

\$93,000 of City General Funds are budgeted for startup of a housing clinic. This funding is proposed to pay for 50 percent of a Housing Clinic Manager, plus costs of a website/software. The Housing Clinic will work to connect people with resources—help households, including the homeless, navigate the housing service system in order to obtain suitable housing.

The City has also budgeted \$24,000 of City General Funds for Inter-Lakes Community Action Partnership's rapid rehousing/Heartland House program. Families are required to work with a Housing Stabilization Coach to create a Housing Stabilization Plan and can generally receive up to 12 months of rental assistance based on their individual progress. The families pay rent based on their income. The goal for each of the participants is that eventual self-sufficiency and housing stabilization. Maximum capacity for the program is 46 families at any given time.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

As noted above, the City will continue to support the Tenant-Based Rental Assistance program. This program can provide housing assistance to households that are at risk of homelessness or actually homeless. The Bright Futures case management is vital co-requisite to that program. Case management is designed to provide assistance to help those households achieve independence and self-sufficiency.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities,

foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

The Housing Clinic will work with and take referrals from organizations such as the Triage Center and the SD Human Services Center to connect clients with stable housing upon discharge of patients from publically funded mental health hospitals.

AP-75 Barriers to affordable housing – 91.220(j)

Introduction:

Please see sections MA-40 and SP-55 of the 2020-24 Consolidated for detailed discussions on barriers to affordable housing development in Sioux Falls. Also please see the Analysis of Impediments action plan steps appended to this plan.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

The Analysis of Impediments for Sioux Falls was updated in 2019. No public policies, including land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, and/or growth limitations were found to be barriers in Sioux Falls. The actions that will be undertaken to remove barriers in PY2022 and future program years will address structural and market barriers related to inequities in ownership and lack of affordable housing.

Discussion:

Please see above.

AP-85 Other Actions – 91.220(k)

Introduction:

Please see below for other actions that will address 91.220(k).

Actions planned to address obstacles to meeting underserved needs

No obstacles were identified in meeting underserved needs; therefore, no specific actions will be taken. The Housing Division is committed to soliciting greater involvement from traditionally underserved populations. This is done through notification of social service providers about the needs assessment hearings at the start of the planning process.

Actions planned to foster and maintain affordable housing

Please see AP-55

Actions planned to reduce lead-based paint hazards

The Single-Family Housing Rehabilitation Program will continue in 2022. As part of rehabilitation projects, lead-based paint hazards are identified and remediated in compliance with federal lead-based paint requirements.

Actions planned to reduce the number of poverty-level families

The Bright Futures program will continue in 2022. The Housing Division will provide CDBG funds to Inter-Lakes Community Action Partnership to administer this program. The program is designed to improve the lives of low-income households by providing intense case management while each household receives rental assistance. The goal of this two-year program is that each participating household will have stabilized their living situation and freed themselves from governmental assistance of any kind. It is anticipated that this program will continue for the foreseeable future.

Actions planned to develop institutional structure

Sioux Falls is fortunate in that there are in excess of 35+ private non-profit agencies listed by Helpline Center, a local service referral agency, that play a role in the delivery of housing and housing related services to low-income households. With this significant number of players, all of whom have overhead and management support, structure, and expenses, there may be a need for better interagency communication, cooperation, and perhaps even consolidation of this myriad of agencies. There is no lack of concern for special needs populations and homeless people.

The existing affordable housing network in Sioux Falls is very fragmented. It has been described as

program rich but system poor. The main goal of the proposed housing clinic would to create a one-stop shop to get information on all affordable housing programs and a warm transfer to most appropriate program for that household's need.

Actions planned to enhance coordination between public and private housing and social service agencies

The affordable housing system in Minnehaha County is program rich but systems poor: It is a complex system with many influential stakeholders but no coordinating authority. Numerous organizations compete for a limited pool of resources, often duplicating services and resulting in inefficiency.

Although programs exist to address a variety of needs, a lack of coordination among programs leaves clients and providers alike without a clear idea of how to access the programs and resources that are available. Families in need of assistance may turn to a small number of housing search and information services, but have no clearly defined, single point of entry to being accessing the resources that currently exist.

Better coordination and collaboration among affordable housing stakeholders in Sioux Falls including a collaboration between Minnehaha County and the City of Sioux Falls could help ensure that existing programs and resources reach people who need them. The Housing Division of Sioux Falls and Minnehaha County along with other community partners plan to start a Housing Clinic to create a single entry point connecting families to needed resources.

In partnership with Minnehaha County, the Housing Division of Sioux Falls will work to better coordinate the affordable housing ecosystem. Clients in need of housing support services would be pair with a Housing Navigator that would pre-qualify them for housing partner services and then transfer them to the program that would best fit their immediate housing needs. The Navigator would follow up to the point to ensure that the client receives the services they need to stabilize their housing.

The Housing Clinic would also work to rehabilitate clients that have developed a negative rental history through an on demand-training module. The Tennant training module would educate tenants on their roles and responsibilities as a tenant, money management and conflict resolution. The goal of the training program is to encourage property owners to rent to tenants they would normally reject because of a negative rental history. The program would demonstrate the tenants' willingness to change previous behavior, by learning new tenant behavior. The training would also be used as a tool to help prevent tenant eviction.

Clients through the Housing Clinic would also have the opportunity to get legal guidance on navigating fair housing. Through education and consultation clients would know their rights and responsibilities and be able to identify when they have a fair housing case for discrimination.

Discussion:

Please see above.

Program Specific Requirements

AP-90 Program Specific Requirements – 91.220(I)(1,2,4)

Introduction:

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

Community Development Block Grant Program (CDBG)

Reference 24 CFR 91.220(I)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	0
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.	0
3. The amount of surplus funds from urban renewal settlements	0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan	0
5. The amount of income from float-funded activities	0
Total Program Income:	0

Other CDBG Requirements

1. The amount of urgent need activities	0
2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan.	100.00%

HOME Investment Partnership Program (HOME)
Reference 24 CFR 91.220(I)(2)

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

The City of Sioux Falls invests HOME funds consistent with 24 CFR §92.205(b). Forms of investment include interest-bearing loans, non-interest-bearing loans, deferred payment loans, and grants. Forms of investment for each program are determined on a case-by-case basis.

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

Any down payment assistance program administered by the City of Sioux Falls will impose a recapture requirement consistent with §92.254(a)(5)(ii)(A)(1).

Households receiving down payment assistance (whether HOME, CDBG, City general fund, or any combination thereof) are subject to the requirements of §92.254(a)(4), which specify a period of affordability. Each assisted household is required to repay the assistance (i.e. the City recaptures the assistance), without interest, when they sell or discontinue occupancy of the property whether that occurs during or after the HOME program period of affordability. Each loan is secured by a mortgage filed against the property.

The City is subject to the limitation that when the recapture requirement is triggered by a sale (voluntary or involuntary) of the housing unit, and the net proceeds are insufficient to repay the full amount due, the City can only recapture the available net proceeds, if any. The net proceeds are the sales price minus superior loan repayment (other than assistance provided by the City) and any closing costs.

When the net proceeds are insufficient, the City shall recapture any available net proceeds from the selling homeowner. In order to accept less than full payment due under the terms of the loan, the City will require a seller's HUD-1 settlement statement to document that lack of available net proceeds to achieve payment in full.

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

The resale requirements for the Neighborhood Revitalization Program are included in the appendix.

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that

will be used under 24 CFR 92.206(b), are as follows:

The City of Sioux Falls does not intend to use HOME funds to refinance existing debt secured by multifamily housing that is being rehabilitated with HOME funds.

Please see above.
