Deicing Apron Project – Significant progress has been made on excavation and sand, gravel back-fill as well as installation of underground storm sewer lines and the new 25,000 gallon collection tank. Work will wrap up in the next few weeks for the winter returning in March/April.

5. New Business

A. Review and request approval of Health Insurance provider for 2020. Renewal premiums were received from our current health insurance provider, The Health Pool of South Dakota. We had several significant claims in the past year which did drive an increase in premiums of 5.4%. We also reached out to Holmes Murphy to solicit quotes from Avera/Sanford/Wellmark and United Health. The only plan similar to ours was the Avera 2000 plan. Julie Schnaible moved and Eric Ellefson seconded a motion to stay with the current provider South Dakota Health Pool/Wellmark. Motion Carried. Dave Nelson abstained from the vote and discussion due to a potential conflict of interest.

B. Adjustment to Hourly Parking Rates. The Executive Director provided a recommendation to the board to modify the hourly rate for the short Term and long term public parking lots. The proposal would provide free parking for the first 20 minutes in Short-Term then $2/hr after. Current rate is $1 for the first hour and $2 hour after. The proposal would also increase the hourly rate in Long-Term from $1/hr to $2/hr with the maximum daily rate remaining at $8/day. Director Letellier also recommended providing the first 90 minutes in Long-Term free to allow passengers whose flights were cancelled to leave the lot without charge. Lon Stroschein moved and Julie Schnaible seconded a motion to implement the hourly rate adjustment January 1, 2020 as well as the proposal to waive the first 90 minutes in the Long-Term lot for weather cancelled flights. Motion Carried.

C. Employee Handbook Updates. Kristin has reviewed our employee handbook and has identified several sections that should be modified. The changes include the following:

   a. Clarification on overtime
   b. All employee lunch breaks 30 minutes
   c. Smoking only allowed in designated breaks and in designated areas. No vehicles.
   d. Appearance – shirts must be tucked in and belt worn if necessary
   e. Vacation – reduced accrual schedule from 12 levels down to 5
   f. Clarify the use of Personal Time off for last minute/short duration time off request vs. vacation
   g. Appendix A adjusted pay rates to reflect 3% COLA for 2020

Julie Schnaible moved and Dave Nelson seconded the approval for the Handbook updates as presented. Motion Carried.
D. Smart Cart Purchase: The airport as received numerous requests over the past few years about providing luggage carts for public use. Demand for carts at the ticket counter and in baggage claim is not significant but would be helpful. The Executive Director received pricing from Smart-Cart to provide two sets of ten carts (one for each area) at the cost of approximately $10,200 plus shipping. Several Commissioners were interested in how other airports handle luggage carts and instructed the Director to survey other airports of similar size and report back to the Board at the December meeting.

6. Old Business –
A. Review and request for approval of the 2020 Operating Budget. The Executive Director identified several modifications to the 2020 operating budget from what was presented at the October meeting. Those changes include:

Revenue-

*Landing Fees* – No changes planned. Letellier provided the results of a survey from similar sized Midwest airports for comparison. Average of 17 airports came to $2.13/1,000 lbs. landing weight vs. the current and proposed rate for FSD of $1.05/1,000 lbs.

*Parking Revenue* – Increased expected parking revenue by $140,000 to reflect the change in hourly parking rates in Long and Short Term parking.

Expenses-

*Health Insurance* – Increase in expected expense to reflect the premium increase of 5.4% and the addition of 3 employees to the pool.

*Depreciation* – The addition of the newly completed baggage claim area expansion along with snow removal equipment purchase has increased the annual expense by approximately $200,000.

QTA Area-

In 2020 the airport will take over the operation and maintenance of the new rental car quick-turn facility. This will involve fee collection from the rental cars as well as operational expenses. Director Letellier has added additional revenue and collection accounts to reflect these additional items in the operating budget.

Revenue The airport will receive revenue from operators for the following:

- Resale of gasoline based on agreed upon $0.15/gal admin fee.
- QTA Operations and Maintenance. – Initially fee of $10.75/sf. Adjusted monthly based on actual expenses.
- Car wash fee of $1.50/wash.

Expenses Operational expenses will be recorded for the following:
- Purchase of gasoline for rental car use.
- Supplies and monthly maintenance, preventive maint. for car wash.
- Maintenance for the detail bays.
- Utilities for car wash and detail bays.

Based on current expenses from our rental car operators and expected revenue, our annual gain from operation of the QTA facility is approximately $95,790.

7. **Open Segment**

Julie Schnaible moved to adjourn at 1:02 pm. Dave Nelson seconded. Motion Carried.
