Approval of Minutes of Last Meeting

New Business

1. **Appeal No. 2-2010.** Beth Guenther of Koch Hazard Architects will represent the Sioux Falls School district and will present plans for renovations to the Howard Wood Field facility. The Board will be requested to review the acceptability of 8 inch risers for five risers serving 13 separate multi level press and coach boxes. The requirement for maximum 7 inch risers will reduce sight lines and create additional challenges with the existing structure.
