Chairman Kevin Gansz called the meeting to order at 4:03 p.m.

1. Approval of the September 12, 2012 Meeting Minutes – Jeff Dunn made a motion to accept the September 12, 2012 meeting minutes as written. Dixie Hieb seconded the motion. Motion passed unanimously.

2. Public Input on Non-agenda Items – None

3. Old Business:
   a. Historic District Property Owner Letter – A draft letter was reviewed by the Board members at the September meeting. Debra updated the letter with the suggested comments from that meeting and brought it back to the Board for final comments. After some discussion, it was agreed that the letter would be sent in March 2013 and then every three years to the owners of property within the historic districts. Jeff Dunn made a motion to approve the revised letter as written and to send a reminder letter every three years. Beth Barry seconded the motion. Motion passed unanimously.
4. New Business:
a. **New duplex structure – 619 S Phillips** – Bob Visser, from Visser Architects, described the proposed duplex to be built at 619 South Phillips Avenue which is currently a vacant lot. The Board members made several recommendations including having a 5” reveal on the hardi-board siding, a double-hung window instead of casement windows (if it complies with ADA,) modifying the main roof line to be a gable vs. a hip roof as shown, and to change the cultured stone to rubble or quartzite and have it tie into the grade rather than carry it around the building. Mildred Roesch made a motion that the construction of the proposed duplex at 619 South Phillips would have no adverse effect on the historic district as long as the recommendations are implemented as outlined. Jeff Dunn seconded the motion. Dixie questioned the motion. She felt it was opened-ended since the property owner could possibly not follow the recommendations made and how would the Board know this? Mildred moved the previous question. Eight board members voted in favor of the motion. Dixie Hieb and Josh Schorzmann voted against the motion.

b. **Zoning Ordinance item – Fence height in Historic Districts** – Debra explained that the City’s Zoning Ordinance is under revision. She was asked to bring the fence code and the section pertaining to historic districts to the Board to ask whether they want revisions made. Keith Thompson made a motion to approve the Zoning Ordinance Fence section as-written with no changes. Josh Schorzmann seconded the motion. Motion passed unanimously.

c. **Notice and Order Report** – Debra stated that although no new properties have been added to the Notice and Order list, one property from last month has been removed.

d. **Subcommittee Reports** – Debra said none of the subcommittees have met since the last board meeting so there was nothing to report. However, she did share that due to a large project she is working on she would not be able to participate in the subcommittees at this time. She encouraged the members to proceed without her or to wait until her commitment has expired. Kevin asked Debra to send him a list of the subcommittees and the members on each of the committees.

5. Other Business
