              The Committee is tying up loose ends for the Humanitarian Award event. The Committee met prior to today’s meeting and set the timeline for this year’s program. The program will be shorter since we will only be reading the three
finalists’ nominations. The nominees and nominators will have a reserved section of seats in the Orpheum for the program.

The Committee talked about making the nomination process open throughout the year.

We haven’t gotten our own Facebook page yet; still working on it.

6. **New Business**
   
   a. **Human Relations Commission Logo Discussion/Selection**
      
      The Commission reviewed the seven logos submitted for their consideration. They are looking for something that ties the Commission to the community and is new/fresh.

      Comments ranged from looking too ‘churchy’ (#1) to looks official and relates to Sioux Falls (#7).

      Consensus was to adopt #3 as the HRC’s logo.

7. **Disability Awareness Commission Report** – Farabee reported.

   The initial elementary school disability awareness training is today at JFK Elementary School. There will be two others, the last one on September 23. The presentations are to fourth graders with a panel of students in middle school or freshmen in high school who have disabilities.

   ArtAbility had fifty five entries for the exhibit at the Museum of Visual Materials in June/July. The DAC would like to continue with this exhibit in 2011. The venue is only available in November/December 2011.

   Convention and Visitor’s Bureau Hotel Survey – Nineteen surveys were returned from the hotels in Sioux Falls. The goal of the surveys was to establish a data base for people needing accommodations can find the appropriate hotel room while visiting town. The Committee will do some spot checks to be sure the surveys are accurate. It is important for the CVB’s members to know there is an advantage to offering accessible guest rooms.

   The DAC will be planning for next year’s projects. Any suggestions from the HRC are welcome. Carlson asked about the accessible gas stations project. This project had been tabled until a future date. Colwill asked if the DAC would be willing to make a twenty – thirty minute video for the Diversity Council.

8. **Public Comment**

   Lodu told the Commission about the Sudanese Conference on the Southern Sudan Referendum January 11, 2011. The South wants to separate from the former Sudan. They differ in religion and policies and have experienced unfair treatment of the various ethnic groups.
Colwill told the HRC they will be invited to a meeting with Mayor Huether on ethnic/cultural diversity. It is scheduled for September 22, 2010, at 4pm in City Hall. Letters will be sent.

9. **Adjournment**

   Aware moved to adjourn, Abbott seconded. The meeting adjourned at 1:02 p.m.

*Minutes respectfully submitted by Carol Garry.*
