**Parking Ramp Development Plan – Erica Beck**

Erica Beck presented an urban plaza concept to the board to activate the dirt patch on the south side of the VOTR parking ramp located at S Mall/11<sup>th</sup> St. Complaints of dirt blowing around have been received due to the empty space and this would look to alleviate that in the short term. It would also provide a gathering area for citizens to potentially enjoy food, art, entertainment, and various activities. Mammoth Sports has offered to donate turf for the project. Those involved in the project and artwork are aware that the space would be temporary as the ramp is now open to be expanded upon by developers if an offer comes through. The board took a formal vote on the matter and no one was opposed of sending the proposal to the City Council meeting on the 12<sup>th</sup> of July.
