Call to order
Greg Johnson, Chair, called the Public Transit Advisory Board (PTAB) meeting to order at 3:45 p.m. and made introductory comments.

1. Approval of November 28, 2011, PTAB Meeting Minutes
Chris Schiltz made a motion to accept the November 28, 2011, PTAB meeting minutes as written. Deb Nelson seconded the motion. Motion passed unanimously.

2. Public input on non-agenda items:
Charles Santee commented on how some of the bus stops are not accessible because of the recent snow. Randy Hartman said drivers have been notified to slightly alter bus drop-off and pick-up to best allow users to access sidewalks. SAM Maintenance personnel have also been clearing snow to allow better accessibility at various bus stops when a complaint is made.

Josh Miller from Lutheran Social Services was introduced and told the board that he is attending the meeting to learn more about the process and issues.
3. **Public Hearing: Proposed Program of Projects**
   Greg Johnson opened the public hearing. Debra Gaikowski explained to the Board that an $116,000 grant has been awarded to the City of Sioux Falls for 1 new paratransit bus and 2 replacement paratransit busses. If a smaller chassis is possible, 1 additional paratransit bus may be purchased also. Charles Santee suggested that 2 vans be purchased instead of one paratransit bus for people that do not need wheel chair access. Greg Johnson and Julie Johnson Dresbach thanked Mr. Santee for his input, but believed the vans would not provide additional flexibility. It may also require additional labor costs for drivers and would not be as durable of vehicles. A motion was made by Julie Johnson Dresbach and seconded by Chris Schiltz to make application to FTA to utilize the awarded grant funds for the purchase of three paratransit busses as stated in the Notice of Proposed Program of Projects.
