A plan for public and council education was discussed. There will be several presentations on EMS on Health Happenings on City Channel 16. Dr. Luther has taped the first one. There will be a presentation for the Council at an informational briefing, probably on May 9, 2011. Board members and other interested parties are encouraged to attend.

The board discussed the ownership change at Rural/Metro from being publicly held to being owned by a private equity firm. Mike Stuhr discussed the change from his perspective.
Julie discussed ambulance response times. They remain in compliance but there has been a downward trend in code 2-3-4 response times. Mike Stuhr explained that Rural/Metro is studying the trends. They have made some schedule adjustments and will also be adding staff.

Metro Management Council has proposed changes to the agreement between MMC and the City for REMSA’s professional services. REMSA staff provided revisions. The draft agreement is not done yet.

Hart discussed jaywalking and safety. Strategies to address the problem were explored, including how to include this in LSS’s refugee education process.

Reports
RescueNet – the changeover to Rural/Metro hosting is complete and working well.

Metro -- Metro continues to be above the required EMD standards, with all March scores at 99% or higher. Four new recruits have started taking calls. They are at full staffing.

Police – First Aid training has started with the addition of excited delirium to the curriculum. Dr. Luther and the Medical Board provided review and input.

Fire/Rescue – 12 leads have been implemented. There have been a few unreadable EKGs which have been addressed with training and also some printers being changed.

Rural/Metro -- There are no inventory changes. Scott Christensen reviewed Rural/Metro’s 2010 customer satisfaction survey results.

Secretary – Annual ambulance inspections are going well.
