Teri reviewed the 7/31/16 financial statement noting that the Chamber has not yet completed the August report. September will be our final month as October begins the new budget year. If we end with extra in the budget, we will come back to the board to present a supplemental budget. Teri reviewed overages and underages by line items.

The CVB is bidding for a national convention. A $20,000 commitment is a requirement as part of the bid process. If it is approved, it comes out of the 2023 budget (only if we win the bid). Shailesh Patel motioned to approve the request for $20,000. Second by Steve Westra. Unanimous approval.

Thea Miller Ryan recapped the mission of the board, to create room nights, prior to review of the following four bid funding requests.

Shailesh motioned to approve today's additional $5000 request for the 17-18 budget. Second by Mark Wahstrom. Unanimous approval.

Rex Rolfing said we need to review this type of request for next year as the South Dakota Sculpture Trail doesn't fit the criteria of the board. Steve Westra agreed noting that we gave him our word at a previous meeting so don't think we can go back on that.

4. SDHSCA (SD High School Coaches Assn) / NHSACA 2018 National Clinic Convention
   - June 23-27, 2018
   - 500-800 people (didn't fill in # rooms)

**BID Activity**
Teri Schmidt reviewed sales and marketing activity.

**New Business**
Teri Schmidt stated that because the BID Board meetings take place in the middle of the month, we don't have current financials available as they don't come out until later in the month. Do we want to push our meetings to the later part of the month (approximately 1 week) so that we can have updated financials available at these meetings? It would be the 4th Tuesdays instead of the 3rd Wednesdays. Tom Morris said we can look at our calendars and discuss it at the December meeting.

**Announcements**
No announcements.

**Adjournment**
Tom Morris motioned to adjourn the meeting. Second by Mark Wahstrom. Adjourned.

Respectfully submitted:
