

DESIGN CHARRETTE 2.0 | JULY 13TH | 6:30 - 8PM

---

## **MEETING NOTICE**

Sioux Falls Visual Arts Commission members have been invited to attend and participate in the Bike Rack Design Charrette Part II to be held on Monday, July 13, 2015, from 6:30-8:00 p.m., at the Sioux Falls Design Center located at 108 W. 11th Street, Sioux Falls, SD.

**Invited Participants:** Bike advocates, artists, fabricators, interested community members

**Goal:** Continue discussion and review visual representations of a bike rack design that has:

- Functional and provides safe bike parking
- Adaptable design (for single- or multi- bike parking)
- Ability to be fabricated in a large quantity at a reasonable cost
- Reinforced branding of Sioux Falls / Live Well Sioux Falls and promote bicycling
- Contribution to the visual aesthetics of the community

**Design Charrette Meeting Agenda Includes:**

- Introductions
- Brief Overview of the Bike Rack Design Charrette Part I
- Review Visual Representations Created Out of the First Meeting
- Group Brainstorming
- Open Discussion
- Closing Comments and Next Steps
