(5-minute comment period per individual)

ITEM 6. Unfinished Business – NONE.

ITEM 7. New Business

a) Review and Action on Sculpture Placement(s)

1) 2020 SculptureWalk Program

(Presenter – Jim Clark, SculptureWalk Director)

Jim Clark, SculptureWalk Executive Director, presented the 2020 SculptureWalk Program. Mr. Clark explained The Sioux Falls SculptureWalk program, is celebrating its seventeenth (17th) year and has grown from 34 sculptures in 2004, to 61 sculptures in 2020.

In the 16 years of SculptureWalk program's history, 836 sculptures have been displayed, with 61 more this year that will bring the total to 897. Currently, there have been 207 sculptures sold or commissioned.

For the 2020 SculptureWalk Program, 142 entries were received and juried by the SculptureWalk Committee. The 2020 SculptureWalk Program is again an international program whereby 24 states and Canada are represented. In this year's program, there are 15 new artists, along with 14 sculpture artists from South Dakota (most from any state), and seven (7) artists are from Sioux Falls. 2020 SculptureWalk takedowns are scheduled for Saturday, April 18th and new installations are planned Saturday, May 2nd.

There were 61 sculptures and 11 alternates selected and recommended for 2020 placement in downtown Sioux Falls on public right-of-way or other publicly-owned property. The general downtown locations are the same as in previous years.

SCULPTREWALK Program is significant in that it helps create a first impression for downtown visitors by bringing a large number of sculptures to the central business district for outdoor display. It simply enhances the beauty and the culture of our downtown area for all citizens and visitors to enjoy has grown from 34 sculptures in 2004, to 61 sculptures with 11 alternates in 2020.

Sculpture takedowns are scheduled for Saturday, April 18th and new installations are planned Saturday, May 2nd.

The 2020 downtown locations will be similar to those established in 2019. Street locations generally include:

- East & West sides of Phillips Avenue, from 13th Street, north to 7th Street;
- North & South sides of E 8th Street, from Phillips Avenue, east across the Big Sioux River to 8th & Railroad Center
- East & West sides of Main Avenue, from 12th Street north to 9th Street
- Uptown Area

Mr. Clark then provided a PowerPoint Slide Presentation for the 2020 SculptureWalk Program. The 2020 Program includes the following SCULPTUREWALK Sculptures:

Mr. Clark explained there are various SculptureWalk Program awards. One of which that is well known is the People’s Choice sculpture award. From May through September, the public votes for the People’s Choice sculpture, and that sculpture is then purchased by the City of Sioux Falls (up to \$20,000). More than 300,000 people visit SculptureWalk each year. After being displayed in SculptureWalk, artwork can be purchased. That’s why you see many pieces still around Sioux Falls at different private and public organizations.

Commissioners expressed their enthusiasm for the 2020 SculptureWalk Program. Chairperson Ivy Oland, commented the 2020 program is amazing and there is a wide variety of large scale sculptures in this year’s sculptures. The proposed sculpture selections are appropriate. She asked that Jim consider the relationship of noise to downtown residences, and to look into the edges on the Free Flight Sculpture.

Russ Sorenson commented that several city departments including: Human Relations – ADA Accessibility Review Board; Public Works – Engineering; Risk Management; and Planning; have conducted their respective reviews and are supportive of the proposed 2020 sculptures and placements.

There were no further public comments expressed or received.

Commissioner Kellen Boice made a motion to recommend approval for the 2020 SculptureWalk Program sculptures and alternates.

Commissioner Keith Lapour seconded the motion. The motion was approved unanimously.

2) Review and Action on Sculpture Placement(s) for SculptureWalk People's Choice Awards Subcommittee (Commissioners Boice, DeBoer, Lapour)

- a. Future People's Choice Award Placements: Kellen Boice reported that the subcommittee has not met recently. Jim Clark explained that foot traffic is key when placing a sculpture. Being fair to the artist giving them an equal opportunity for votes in the people choice award. Chairperson Oland suggested meeting with a subcommittee of the VAC regarding the people's choice in October of each year. Additionally, the sub-committee should elevate the discussion to better formulate a plan for permanent locations for future people's choice sculptures.
- b. Annual People's Choice Awards – One (1) year Temporary Placement at City Center before permanent placement 2019 People's Choice Award "Under Construction" by Gary Hovey OH.
The group discussed the conservator's recommendation regarding indoor display of the Under Construction. Russ Sorenson suggested a temporary location for the first year.

Russ explained a quartzite pedestal was available for sculpture placement in front of the City Center, to place the 2019 people's choice temporarily. By placing the people's choice annually at this prominent location, it would provide more time for the VAC to determine a permanent location.

A motion to locate the 2019 People's Choice Sculpture: *Under Construction*, by Gary Hovey, artist, in front of the City Center temporarily while on-going discussions for permanent locations of future people's choices will be on going, was made by Joe Schaefer and seconded by James Zajicek. The motion pass unanimously.

- c. Daughters of Peace Sculpture at City Center: Russ Sorenson updated the group regarding the relocation of the Daughters of Peace sculpture to the City Center interior lobby due to the Carver Gallery in the City Hall Lobby. Rather than placing this 2018 People's Choice sculpture in storage, they are working on creating a display. Jim Clark recommended Architectural Mill to fabricate the pedestal platform for sculpture display.

The VAC expressed their support of the City Center lobby as a temporary location for *Daughters of Peace* sculpture.

b) Visual Arts Commission Projects - Updates

- 1) Arts Task Force 2/2020 Meeting Update – Russ Sorenson explained that the next meeting of the taskforce will be March 24 from 4-6:30 pm. at the City Center Cooper Conference Room #110.
- 2) Final DRAFT Public Art Integration Document including recommendations: The summary will be sent out to the Commissioners via e-mail for one last review and comments. Chair Oland appreciates all VAC members providing their input by the end of the week so that the document can be forwarded to Janet Brown and the arts taskforce.
- 3) Discussion of Downtown Location(s) for Sea Dream Sculpture: Ivy Oland updated the group regarding conversations with the park's department representatives. The commissioners expressed their preference is to keep *Sea Dream* sculpture downtown. The Artist is on board with the Prairie Green golf course location but the Chair Oland wants to communicate the VACs preference for a downtown location to the Park's Department before the next VAC meeting.

c) Sioux Falls Arts Council Updates: No updates provided.

ITEM 8. Other Business - NONE

ITEM 9. Announcements

- a) Next Meetings
 - 1) Working Session Meeting—Wednesday, March 11, 2020 5:30–7:30 p.m., @ Downtown Library Conference Room, 200 North Main Avenue
 - 2) Regular Meeting—Tuesday, March 17, 9 a.m., @ City Center, 231 North Dakota Avenue

ITEM 10. Adjournment: With no further business, the Visual Arts Commission meeting adjourned at 10:18 a.m.

Subject: Sea Dream sculpture location

External email - use caution when clicking on links or attachments.

Hi fellow VAC members -

Most were unable to attend the meeting last night so I'm following up regarding the "Sea Dream" sculpture, and a request in preparation for our meeting next week.

Russ, Shawna and I recently met with Mike Patton of the Parks Department. We discussed the VAC's desire to keep the sculpture somewhere downtown and the current status of relocation planning. Mike expressed that they reached out to the artist when the dog park plans began, and the artist, Steve Thomas, suggested the location near Prairie Green. That is where it is currently planned to be relocated to, however, Mike is very willing to work with us and to consider an alternative placement if we can provide a recommendation and some supportive information.

I offered that our group would follow-up with him to outline the following:

- A statement supporting why we are recommending in/near downtown in lieu of a different park or part of town (if that is still the desire)
- A recommended location for placement on City property in/near downtown

Please know that Falls Park was discussed, and it is not likely to receive support at present because it is in the midst of a multi year planning process.

I kindly ask that anyone with a preference or strong feelings about this piece of sculpture take time before our monthly VAC meeting (scheduled for next Tuesday the 17th) to review and consider locations, and arrive at our meeting next week with some thoughts on the questions posed above. We can talk through next steps at that time as well.

Thank you for your interest in and assistance with this matter!

Ivy
