CAPRA accreditation is a distinguished mark of excellence for park and recreation agencies and is a measure of an agency’s overall quality of operation, management, and service to the community. The National Recreation and Park Association research team estimates that there are approximately 14,000 parks and recreation agencies nationwide, of which 1 percent have earned national accreditation. Sioux Falls Parks and Recreation is proud to be one of these elite agencies since 2010.

Photos taken at classes and during programs may be used by Sioux Falls Parks and Recreation for promotional purposes.

We strive to produce the most accurate, up-to-date Fun Guide possible. However, some program information may have changed since this guide was posted.

If an ADA accommodation is needed, please contact the Human Relations office at 605-367-8745 or humanrelations@siouxfalls.org at least five business days in advance of event.

FOOTVOLLEY
DUNHAM PARK | #490000
AGES: 18+
Do you love playing volleyball and you’re passionate about soccer too? Footvolley is a way to enjoy both. This “samba” filled sport was created in Brazil, and mixes multiple aspects from both volleyball and soccer. Footvolley combines field rules that are based on those of beach volleyball while having ball-touch rules used in soccer. Essentially, footvolley is beach volleyball except players are not allowed to use their hands, and a soccer ball replaces the volleyball. Come try out this perfect combination of summer sand volleyball and all the skills of soccer in a pickup game format. Registration required.

EMOTIONS AND OILS
KENNY ANDERSON C.C. | #410015
AGES: 18+
The conversation about emotion has come a long ways, but it’s still easier to deny feelings than support the season we’re in. If you’re a breathing being you have emotions and it is so empowering to know what to use to help lift you out of a funk, or to help brighten your days. We will be discussing the gut-brain connection, how our olfactory system is so incredible, and how the power of aroma can interact instantly to support our emotional needs. I’ll be giving everyone a roller of one of my favorite oils for emotional support. Registration required.
