

VETERANS' MEMORIAL PARK

MEDAL OF HONOR GARDEN DONATION INFORMATION

There are opportunities available to support the ongoing development of Veterans' Memorial Park and share in recognizing our military veterans and their sacrifices. The design of the park allows for incorporation and future expansion of specific memorials dedicated to various veteran organizations, wars, and individuals.

One of these opportunities is to have your name or your company name engraved on one of the Medal of Honor Donor plaques. These plaques recognize donors who have contributed \$2,000 to the support of the Veterans' Memorial Park.

-
- One line of up to 36 characters will be engraved for each \$2,000 donation.
 - The name may be an individual, family, or company name.
 - No symbols or logos will be engraved on Medal of Honor Donor plaques.
 - No advertising text is allowed within the 36 characters.
 - Military rank may be included within the 36 characters.
 - Each space in name must be counted as one character.
 - Requests for names on a plaque to be placed together must be received at the same time.
 - Engraving is done in capital letters.
 - Names will be engraved within one month after your donation is received. Engraving will be done from April through October, but no engraving will be done during the winter months.
