Attach one “after” picture:

Check the Grant Award you are most likely to complete:

1. Greatest Overall Transformation

This grant will be awarded to the applicant who is able to create the biggest overall improvements to their home.

2. Neighborhood Comradery

This grant will be awarded to the applicant who displays the most neighborhood involvement working collaboratively to keep up their home. Are you able to serve a neighbor by helping them with a project or two?

3. Weekend Warrior Projects

This grant is designed to award the smaller project that makes a huge impact on keeping our neighborhoods looking nice. Any improvements made should be celebrated and there is no such thing as a project that is too small.

Has this investment improved your home/neighborhood?

Did anyone help you complete your project? If so, who?
