

## **GPS Data Files**

The City of Sioux Falls does not store raw data files from the NetR9 receiver located at the Water Purification Plant. The Minnesota Department of Transportation (MinnDOT) is the owner of the receiver named **SFIs** and is responsible for the raw data. The files can be found at:

<ftp://ftp.olmweb.dot.state.mn.us/CORS.GPS>

For questions concerning the NetR9 raw data, please contact:
