Address of home	day care:	-				

Day care[s] shall be located in areas where an adequate and safe <u>playground</u> with sufficient green areas can be provided, where <u>pickup and dropoff</u> areas will provide a safe access to the use, and in areas where such uses will be <u>convenient</u> for their clients [Sioux Falls City Code 15.59.172]

Day care, family: Care is provided in a dwelling. The number of persons cared for is seven to 12 adults or children under the age of 14 years including the provider's own children six years and under. The dwelling shall be used as the principal use, and the day care use be accessory [15.03.020]

We, the undersigned, are not opposed to having a family day care existing within our neighborhood. We understand that they are registered with the City's Health Department and with this petition may receive a zoning permit.
