

Pedestrian Advisory [Sub] Committee

Tuesday, June 20, 2023 3:00 p.m.

Webex

Introductions: Shelby Jeperson, Sam Trebilcock, Wes Phillips

Topics:

Old business: Community Health Improvement Plan -- At this time, the group decided to keep the current priority areas and workgroups: Health Eating, Active Living, Mental Health and Substance Use, Oral Health, and Preventive Care.

Active Living discussed Complete Streets – Planning is working on 2.0. Reviews, Implementation and Standards. *The Complete Streets approach prioritizes early consideration of pedestrian, bicycle, and transit accommodations in planning for roadway projects.* <https://www.siouxfalls.org/planning-dev/planning/complete-streets>

Pedestrian Plan –

Utilize data on pedestrian crashes to help direct and justify resources toward crossings where improvements need to be made. – July overview and data

Active Transportation Board– committee coordination – June 21

Board members would be able to give Committee reports from Tuesday's meetings

Ped Plan Stakeholder's outreach – results, summary

No official comments. Public support from those in attendance. Onto ATB for acceptance; and to City Council.

New business: detour standards – August

Next Meeting: Tuesday, July 18, 2023 3:00 p.m.
