

Pedestrian Advisory [Sub] Committee

Tuesday, September 19, 2023 3:00 p.m.

Webex

Introductions: Koni Sims, Chrissy Meyer, Ron Christensen, Sam Trebilcock, Fletcher Lacock, Jayson Draper

Topics:

Old business:

Pedestrian Plan – *“Continue meeting with the Pedestrian Advisory Committee to provide input into the status and progress of the Pedestrian Plan.”*

Active Transportation Board– committee coordination – Sept 20th 8:30 a.m.

Ped Plan acceptance – Council Informational Oct. 3 @ 4:00 p.m.

New business: TekWay High Performance ADA Systems – Jayson Draper

Draper gave us information on the public need for detectable warning systems; like navigational bars, sidewalk and curb ramps tiles, and trapezoid delineators.

Complete Streets Implementation Report – *The City of Sioux Falls adopted Resolution 53-15, known as the Complete Streets Resolution, to “plan, design, and construct all new city-owned transportation improvement projects to accommodate pedestrians, bicyclists, transit riders, motorists, and persons of all abilities, while promoting safe operation for all users.” The resolution directs staff to evaluate progress toward its goals yearly.*

Will be posted online @:

October – National Pedestrian Safety Month – ATB in October.

October 4 – Bike and Walk to School Day

October 14- White Cane Day 10:00 a.m. China Buffet

Education and engagement – sidewalk cleaning should be year around; grass, weeds, dirt, seeds, branches. Talk to Communications about broadening campaign.

Sidewalk Progress Report – Wes Phillips – update on implementation. ATB in November.

Capital Improvement Plan adopted for 2024-2028. Complete Streets underway, projects forthcoming.

Next Meeting: Tuesday, October 17, 2023 3:00 p.m.
